You play an important role in providing educational opportunities for deserving students who might not qualify for state and federal financial aid. Your scholarship means a great deal to each and every student you have helped. Without your generous gifts, some of our students would not be able to fulfill their academic dreams. Thank you.

I would also like to take this opportunity to introduce myself as Donor Relations Manager. I will be assuming management of your scholarship and related communications. If you have any questions or if I may assist you in any way please call me at 484-1560.

Warm regards,

  
Angela McGhee
